

Private Shooting Lessons

It is a well-known fact that everyone performs better with a coach. That is especially true with shooting. Your skills will improve exponentially with a great coach.

Beginner Lessons:

- **For Basic Handgun Lesson:** Primarily for the new shooter. Includes safety briefing, handgun operation, loading and unloading, shooting mechanics, fitting handgun to the student's hand, and time shooting on the range. Your personal coach will cover everything A thru Z. One on one training with your personal coach for a full 90 minutes, target and eye and ear protection all included. Bring your own gun and ammo or rent and buy ammo here. Only **\$150 PP.**
- **For Basic AR-15 Lesson:** For the new AR-15 shooter or new AR-15 owner. Your personal coach covers everything the basic handgun lesson covers but for AR-15 of course.
Instructor time, eye and ear protection, target and 90 minutes one on one with coach included in pricing. Bring your own AR and ammo or rent our AR and buy our ammo. Only **\$150 PP.**

Advanced Lessons:

- **Advanced Handgun Lesson 101:** For those shooters who would like a refresher lesson and who may not be shooting up to their own expectations. Your personal coach will focus on analytics and diagnostics, regarding your shooting mechanics.... stance, grip, sight alignment, trigger pull, breathing and follow through. Your personal coach will analyze your shooting mechanics, diagnose any problems and make recommendations with the goal of creating increased shooting proficiency. Your lesson includes eye and ear protection, range fees, and target, and one on one training with your personal coach. One hour class.
Only **\$99 PER PERSON.**

Your payment is non-refundable. You can, however, convert your payment into a gift card which then becomes an in-store credit and is good for any merchandise or classes that we offer. There is a \$10 charge for this service.
