

Primarily a Lutheran group of like-minded Second Amendment supporters who enjoy getting together for practice, fun, food & fellowship in a safe enjoyable environment to improve shooting skills.

- All church affiliations are encouraged to join us.
- All skill levels welcome!
- We meet monthly at G2G on the 2nd Saturday from 11am—till we are done.

### ***Membership***

An LTC is not required to join this group.

You do not need to be a Lutheran

You do not need to own a Glock

### ***Got skills?***

All skill levels are welcome to join us.

The skills of this group run from beginner and basic handgun knowledge to expert marksmanship.

We will coach you if you need assistance.

### ***One Main Goal***

We want no one to be a liability or a statistic.

“5 shots, 200 gr swc handload from my 1911 at 7 yards”

### ***What we do....***

***During our meetings....***

***We learn!***

***We eat!***

***We shoot!***

Like was previously stated, we have skills of all levels.

After we have an instruction time and have lunch, we head off to the shooting bay. There we work on our skills using targets. About of the half of the group use a series of red dots applied to the target. Upon clearing said dot, we move to the next one.
